SUPPLEMENT TO APPLICATION OF FATBEAM, LLC

Pursuant to the March 4, 2016 email Ruling of Administrative Law Judge Eric Wildgrube in this matter, Fatbeam, LLC hereby supplements its original Application in this matter.

Fatbeam, LLC submits the following additional information:

1. A sworn declaration under penalty of the laws of the State of California that Fatbeam, LLC’s financial resources are unencumbered and will remain available to fund Fatbeam, LLC’s working capital requirements while the application is pending and for the first full year following grant of the requested operating authority (attached).

2. A performance bond in the amount of \$100,000.00 for the first year of its operation in California (attached). This bond will be modified or supplemented to fully cover the first year of operation after the CPCN applied for is granted.

3. A sworn declaration under penalty of perjury under the laws of the State of California of Mr. Greg Green, stating that he has not been the subject of criminal proceedings, as required by said March 4, 2016 email order (attached).

4. Fatbeam, LLC does not anticipate being required to provide deposits to local exchange carriers or interexchange carriers in order for Fatbeam, LLC to provide the proposed service, in light of the nature of its service. However, even if some such deposits were required, Fatbeam's previously submitted financial information backed by the performance bond submitted here are more than adequate to cover any such deposits.

Respectfully submitted this 18th day of March, 2016.
